COLOR DAY: Please dress your child in the appropriate color listed on the calendar.

SNACK ASSIGNMENTS: Your child will be assigned a day and will be responsible for supplying juice and enough snacks for their class. A snack calendar will be posted on the parent bulletin board with name and class quantity. Please check to see when your child is assigned.

Make a Difference: Hear my son... I have taught you in the way of wisdom. Proverbs 4:10-11

One of John's sons was a doctor, another was a popular local TV personality. Still another is well known in the Christian music industry. Who are these people? They are students who attended the high school where John taught and where his children have gone to school. John's son Steve was looking at names and photos in some old yearbooks not long ago. As John pointed out where those students are today, he was struck by the power of potential. Who knew what would become of these young people when his fellow teachers and John asked them to do book reports, diagram sentences, or run sprints and make free throws on the basketball court? But now, with their pathway through life partially complete, he can see that many of them have trusted the Lord and realizing much of their God given potential.

It is awesome to contemplate what can become of our children. If they are taught to walk according to God's wisdom, use the skills He has given them and follow His leading, they can make a difference in whatever future the Lord has in store.

"We shape tomorrow's world by what we teach our children today."
