CHRISTMAS TOY SHOW & SHARE: Thursday, January 5, 2017

ALL children are to bring in ONE new Christmas toy to share with the children. Please be sure their name is on it. **DO NOT SEND IN ANY TOY THAT HAS MULTIPLE PIECES.** No games, puzzles or anything that you would worry about getting broken. We will do our best to take care of the item/toy sent in, but Rainbowland Preschool and its staff will not be responsible for any lost, misplaced or broken items/toys.

NO SCHOOL: Tuesday, January 17, 2017 – (This may be used as a snow make up day if needed).

KIDS IN MOTION: Will start up after the holidays on Thursday, January 19th at 11:00.

BLANKET/SLIPPER DAY: Tuesday, January 31, 2017

School Activities

What Time Is It? – Now it is high time to awake out of sleep; for now our salvation is nearer than when we first believed. Romans 13:11

There are many ways of keeping time. Let's look at three of them. The first is called "world time." For many years this was how the world set its clocks. World time was determined by the relationship of the earth to the sun, and it enabled man to measure time by the movements of the heavens. A second way of keeping time was adopted in 1972 when the switch was made to "atomic time." This method measures hours, minutes and seconds not merely by the big picture of the heavens but by the highly accurate vibrations of the atom.

Then there's a third method. It's based on our relationship to God, and His time keeping is perfect. When we recognize our accountability to God, we see that now is the time to surround ourselves with the values, thoughts and attitudes of the Lord Jesus Christ. We become aware that our eternal rescue is closer than ever before. Because of our relationship to the Lord, we should heed the warning that time is running out for this world. If we are going to live honestly and lovingly, we must do so now!

"Counting time is not as important as making time count."
