HONEYBEE - GRASSHOPPER: 2 Day program (Tuesday, Thursday)

Christian Value Talk Theme: Sharing/Helping
Class Learning Themes: Color: Orange
Shape: Square

Sharing and helping are sometimes difficult for young children. Many of the activities planned this month will help the children understand this important concept. Through our play and learning, children will begin to see that share is caring and can be easy to do.

SCHOLASTIC BOOK ORDERS: Reading is a great way to connect with your child. By ordering online through Scholastic Books you not only help your child learn, but you will also be helping the school earn books and educational items for the school. Set up your account online today and use our school code **GV6RY** to link your order to our account so that we can get credit to earn new items.

HARVEST PARTY: Due the unusual circumstances this year, our Harvest Parties will be scheduled in school this year. **NO COSTUMES REQUIRED;** it will be a Fall Harvest Theme with games, crafts and party activities.

Party Treats: If you would like to send in treats for the children, make sure they are individually wrapped. There will be another Honeybee joining us in October, please send in 4 treats for the party.

2 Day "Honeybees"

Defining Moment: "You meant evil against me, but God meant it for good."

Genesis

People around the world were stunned by a shooting rampage that left 32 victims dead on the campus of Virginia Tech University. In the aftermath, the mother of one critically wounded student who survived said she did not want the ordeal to become the defining moment in her son's life. Instead, she hoped it could be "something positive, some great celebration of his life."

When the unthinkable happens, it may seem impossible to believe that anything can overcome the emotional scars. But when we place our desire for revenge in God's hands, we become participants in a remarkable process as described in Romans 12:21-Do not be overcome by evil, but overcome evil with good."

"Let danger drive you to Jesus for help and safety"
