School Activities

Unflinching Faith: The Lord gave and the Lord has taken away; blessed be the name of the Lord. Job 1:21

Scottish author Sir Walter Scott faced financial disaster when his publisher went bankrupt in 1826. He was heavily invested in the firm and it appeared that he would lose everything including Abbotsford, his castle-like home. A Christian of unwavering faith, he wrote in his journal: "Things are so much worse than I apprehended that I shall neither save Abbotsford nor anything else. Naked we entered the world and naked we leave it. Blessed be the name of the Lord."

Many of us talk about loss and suffering and argue about why evil things happen to good people. But it's quite different to deal victoriously with the painful experiences that happen to us personally. What we really need is the ability to endure without emotional collapse or spiritual bitterness. We need the sustaining confidence that enables us to believe in God's love and wisdom. Great faith is often built during great trials.

Tough Times, Teach Trust!
