School Activities

Past, Present & Future: I press towards the goal to win the prize for which God has called me. Philippians 3:14

In his painting "An Allegory of Prudence," 16th-century Venetian artist Titian portrayed Prudence as a man with three heads. One head was of a youth facing the future, another was of a mature man eyeing the present, and the third was of a wise old man gazing at the past. Over their heads Titian wrote a Latin phrase that means, "From the example of the past, the man of the present acts prudently so as not to imperil the future."

We need that kind of wisdom to overcome the anxiety created by our past failures and the fear of repeating them in the future. As we begin a new year, let's rededicate ourselves to Christ. Jesus will enable us to live fully in the Present as we gain wisdom from the Past and face the Future with courage.
