If you wish to send in treats for the children, please send in by Wednesday, Oct 26 and we will make up bags prior to the party. (AM treats-23 and PM treats-18.) If you bring treats in the day of the party, you will be responsible for placing them into the bags. This party is free and cost will be covered by the Preschool Program through our fund raising

Bring Out The Shine: He knows the way that I take; when He has tested me, I shall come forth as gold. Job 25:10

Many years ago, Joe bought a 1964 Volkswagon from his neighbor. The car was mechanically sound, but the outside looked pretty rough. Dents marred its surface, and dirt and grime had dulled its once deep blue color. As time passed, Joe wondered if its original luster and beauty could be restored. He was sure its bumps could be eliminated, but what about the finish? So he began to experiment on some of the worst spots. Much to his delight, Joe discovered that with a lot of elbow grease and some rubbing, his drab little Volkswagon could be brought to a beautiful shine. We as Christians have wonderful potential of reflecting the beauty of our Savior. But sin has left its mark on our personalities and a lot of "road film" needs to be removed before the lovely character of Jesus can be seen in us. God often brings about this change through the buffing of hardship and trials, for pressure has a way of loosening the dirt and grime of rebellion and selfishness. We might wish that a speedy "car wash" could do the job, but there's no substitute for the difficulties that can bring out the shine of Christ like character. *"A gem cannot be polished without friction, nor a man perfected without adversity."*
