God Is Our Helper – *Surely God is my help; the Lord is the one who sustains me. Psalm 54:4 2*

A teenager became overwhelmed by enormous challenges and high-stakes decisions. He mother taught him the merits of putting pen to paper to gain perspective. When he was uncertain whether to take specific classes or which job to pursue, he learned her habit of writing out the basic facts and the possible courses of action with their likely outcomes. After pouring his heart onto the pages, he was able to step back and view the problem more objectively.

Just as recording thoughts on paper may offer a fresh perspective, pouring our hearts out to God in “Prayer” will help us gain His perspective and remind us of His power. When we are faced with a situation that brings anxiety or fear, let’s run straight to the Lord and lay our problems before Him. Trust Him to guide your steps and calm you uneasy heart.

“God is our greatest help in times of distress.”
