OPERATION CHRISTMAS CHILD: This is a project of Samaritan's Purse International that supplies "Shoe Box" gifts for children around the world at Christmas time. By filling shoe boxes (which they provide) with small non-perishable items, children are touched by the love of God. This year the preschool will be filling 25 boxes. We are asking that girls bring in a small gift for a girl; and boys bring in a small gift for a boy. Send in by Friday, Nov. 4, the children will fill them the following week. See the attached information sheet for more details. What a great way to teach children about giving (our theme for December).

School Activities

Just the Right Amount: Give us this day our daily bread. Matthew 6:11

A woman who prepared meals for hungry farm workers during the harvest season would watch them consume every bit of food on the table. Then she'd say "Good. I fixed just the right amount."

Many of us struggle to feel that way about the resources entrusted to us. At the end of a meal or the end of a month, do we really believe that God has given us enough? When we pray, "Give us this day our daily bread", how much do we expect God to Supply? As much as we want? Or as much as we need? Health experts say that a key to good nutrition is eating until we feel satisfied, not until we are stuffed full. In every area of life, there is a difference between genuine hunger and having a greedy appetite. So often, we want just a little more. As the Lord supplies our needs, perhaps we should see His provision from a new perspective and determine to express our thanks by saying, "Father, You gave me just the right amount."

"When it's time to breathe a prayer of thanks, don't hold your breath."
